Safety Certificate

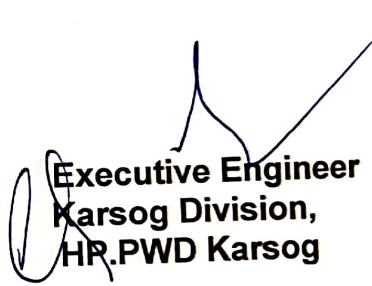

The School of Root Model Public School Karsog Tehsil Karsog , Distt. Mandi H.P. was inspected by Junior Engineer of Karsog Sub Division . As per the report of the Junior Engineer, the building has neither been designed properly nor been constructed under the supervision of this office, no earth quake resistant norms has been adopted for the construction of Building . Hence, the structural safety of the building cannot be ensured specifically from earth – quake consideration and this Department is not responsible for any circumstances thereof. However, as visual inspection , the building seems to be safe under loading condition of existing dead and live load of the Building .

Note :- The certificate is valid for one year from the date of issue or till any addition or substantial change in loading of Building structure is made.
